

# 2020 10th International Conference on Renewable and Clean Energy (ICRCE 2020)

# ICRCE 2020

## FEB 18-20, 2020

### Tokyo, Japan

2020 10th International Conference on Renewable and Clean Energy (ICRCE 2020) is going to take place in **Tokyo, Japan** once again during **February 18-20, 2020**, which is **hosted by Kogakuin University, Japan**. It will offer an ideal platform for presentation, discussion, criticism and exchange of innovative ideas and current challenges in the field of renewable and clean energy.

## Publication

All submissions will be blind reviewed by the Program Committee on the basis of technical quality, relevance to conference topics of interest, originality, significance, and clarity. Accepted and selected papers will be recommended to be published in the conference proceedings, which could be submitted for **Ei Conpendex** and **Scopus**.

## Call for Papers

**Topics of interest for submission include, but are not limited to:**

Renewable (Green) Energy Systems and Sources (RESSs) as Wind Power, Hydropower, Solar Energy, Biomass, Biofuel, Geothermal Energy, Wave Energy, Tidal energy, Hydrogen & Fuel Cells, Energy Storage

- New Trends and Technologies for RESSs
- Policies and Strategies for RESSs
- Energy Transformation from Renewable Energy System (RES) to Grid
- Artificial Intelligence and Machine Learning Studies for RESSs and Applications
- Power Devices and Driving Circuits for RESS
- Control Techniques for RESS
- Grid Interactive Systems Used in Hybrid RESS
- Performance Analysis of RESSs
- New Approaches in Lightings
- Reliability and Maintenance in RESSs
- Smart grids and RESSs

More topics, please visit: <http://www.icrce.org/cfp.html>

## Submission

Submit paper via online system:

<http://confsys.iconf.org/submission/icrce2020>

Hosted in

**Submission Deadline:** Sep. 25, 2019
